Secretary's Note

Respected Trustees, Advisory Board Members,
Seniors and SMF members,
Namaste !

Greetings from Team 2025!

We're thrilled to announce the grand success of our 3-day box cricket tournament, featuring 20 teams, including female teams and legend teams for the first time! ??

It was an incredible celebration of sports, camaraderie, and fun, with an extraordinary feast that added to the excitement. Congratulations to all the winners!

As we dive into the festive spirit, we're excited to share that we're planning a special SMF Garba event on October 5th! ???

Join us for an evening of:

● Mahaaarti

● Garba

● Ras Ramzat

● food feast

● Exciting prizes

Unforgettable memories with fellow SMF members.
Mark your calendars and get ready to celebrate Navratri with us!

Dr. Kirti Shah
Secretary, SMF

From the Desk of President

Dear SMF Members,

Season's Greetings.

It is always being a pleasure to announce the success stories of SMF.

As a president, I am committed to fulfil my duties, keeping the SMF members engaged in several activities whether educational or entertaining. With constant support of SMF committee members,

SMF bulletin editorial team and of course my dear SMF members, it was possible for us to organise different events like CME, cooking competition and timely publishing the SMF bulletin. Because of untiring support of you all, SMF is now expanding and new members are joining that shows its success.

We require more support to make SMF bulletin more voluminous and strong platform for our upliftment and professional growth.

In last 2 months, we did lot of activities especially box cricket, in which senior persons, children and women were the center of attraction.

In next month, we are organising GRAND GARBA CELEBRATION.

That too will become a milestone event this time. We as a team invite you all with you family members to participate and making it memorable.

Thank you all!

Lookingforward to your continuous support for success of SMF.

Dr. Alap Shah
President, SMF

Congratulations

Congratulations to Dr. Deepak Goyal for receiving Life Time Achievement Award for his contribution to the cartilage repair science in India and Asia, during 2nd overseas meeting of Indian Cartilage Society - Connects at Pokhara Nepal.

Welcome New Members
