From the President's Desk

Dear SMF Members,

Happy New Year.

With beginning of New Gujarati Year, I, wish all the SMF members a prosperous, healthy, and wealthy new year. May this new year come with new milestones and new ideas. With full support of all SMF members, we are continuously organising new programs which are focusing on our profession.

On 5th October, we enjoyed stunning colourful Navratri celebration.

With mesmerising singer Nishad who kept all members playing unstoppable Garba with full of zeal in traditional outfits.

During Navratri night, Maha Aarti with full of designer diyas turned entire environment into religious minds. Every member played Garba and delicious dinner followed by "Doodh Poha".

GRAND GARBA CELEBRATION is another feather in success crown of SMF.

This would not have been possible without the creative minds of SMF organising committee members and their hard work till last moment.

I am heartily thankful to organising committee and all SMF members for active involvement.

Thank you all ! Lookingforward to your continuous support for success of SMF.

Dr. Alap Shah
President, SMF

Secretary's Note

Dr. Kirti Shah
(M.D., D.V.D.)

Dear SMF Family,

Wishing you all a very Happy Diwali and a Prosperous New Year !
May this festival of lights bring joy, prosperity, and happiness to your life.

We are thrilled to share that our Garba Ramzat was a grand success,
thanks to the overwhelming response from all of you !

A Big Thank You-to each one of you for making it a memorable evening.
We congratulate all the participants of the Aarti & Garbi decoration
competition and the winners for their creative talents.

Special thanks to everyone who enjoyed the food, danced to the garba
beats, and felt the divine vibes of Mahaaarti till the end !

Appreciation to the entire Garba team for their hard work and meticulous
execution of the event. You all were fantastic !

We look forward to your continued support and enthusiasm.
Stay tuned for upcoming programs and events !

Warm regards,
Dr. Kirti Shah
